SAMOA is a Valencia (Spain)-based company selling contemporary outdoor furniture. Established in 1984, our aim is to manufacture high quality furniture using modern local production and the latest technologies and to promote the best design in international events. SAMOA collaborates with recognized international designers as well as new and brilliant emerging designers, bringing to reality the energy and originality of their projects, promoting each one's personal style and developing their innovation.

SAMOA es una compañía de Valencia (España) especializada en la fabricación de mueble contemporáneo para exteriores. Desde 1984, nuestro propósito es vender muebles de alta calidad utilizando mano de obra local y las últimas tecnologías para mantenernos como un referente a nivel internacional. SAMOA colabora con diseñadores de prestigio internacional, así como con jóvenes promesas, materializando la energía y originalidad de sus proyectos, promoviendo sus innovadores estilos personales.

| Z by Francesc Rifé

The designer, Francesc Rifé, has joined functionality and beauty paying attention to the detail when designing IZ collection. His sleek engineered form comes from a perfect proportion and a studied comfort, achieving a fresh character not usual in the outdoor market.

ONA

by lievore altherr molina

Its calm ergonomics, the neutrality, the synthesis of its forms, its visual lightness, stackable and little weight, are the basic character of this furniture that remembers very the own requirements of use for the outer furniture, as much in the world of the installation as in its particular use.

NENÚFAR by Yonoh

The skeleton is finished in lacquered aluminum (brightness and mate) covered with dressy fabrics (batyline), is adjustable both in height and angle. The base is a rounded aluminum plate.
